Reference standard :

Levels of performance / class of protection

EN 420:2003+A1:2009

-

EN 388:2016

2 1 3 1 X

The levels of performance have been measured on the palm

« X » means that the test hasn't been performed ; no protection is required

At the date of certificate the product is in compliance with Annex XVII of REACH regulation (n° 1907/2006 and revisions)

Full description of the PPE, reference rules verified in the context of the EC-type examination and information given on the product are detailed in the manufacturer's technical file index 01 dated from SEPTEMBER 2017

NOTA : Any modification to new items of the personal protective equipment object of this CE type approval certificate or any modification of the information contained in the manufacturer technical file which served for the deliverance of the CE type approval certificate (change of adress, change of company status) should be brought to the attention of the notified body in accordance with law n° R.4313-38 of the French Code of Work

Issued in Lyon by

Date of issue : September 21st, 2017

Lionel Gaudillere
PPE certification manager

In application of the Directive 89/686/EEC of the 21th December 1989, concerning the alignment of member state legislations relating to personal protective equipment and in application of relevant requirements of the French labor code, provided by the transcription of the above mentioned French legislation.
